

# STOREFRONT PRO BY INSTACART

## Your Store-Branded E-Commerce Solution

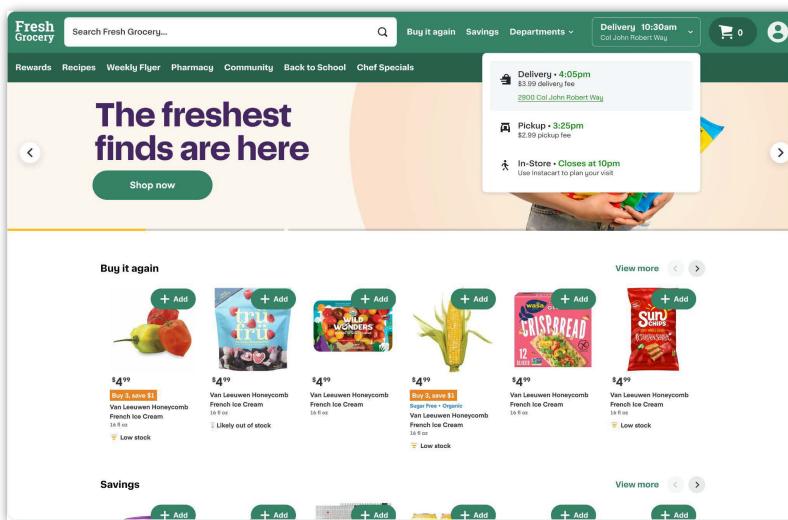

Storefront Pro is a white-label e-commerce platform powered by Instacart, giving retailers full ownership of their digital storefront and their customer data. It combines custom branding, AI-driven shopping experiences, and built-in monetization tools to help you drive sales, strengthen loyalty, and make data-driven decisions.

### Retailer Benefits

- Custom-branded storefront:** Homepage layouts, navigation, and shoppable content such as ads and recipes
- Flexible fulfillment:** Delivery, pickup, and in-store labor models
- Loyalty & digital coupon integrations**
- Self-serve marketing:** On-site banners, CRM targeting, flexible offers, and private label boosting
- Advanced reporting and analytics** for campaign performance and better decision making

### Shopper Benefits

- AI-powered grocery experiences:** 'Buy it again' carousel, product recommendations, replacements and suggestions
- Effective ordering communications:** Push, SMS, and email notifications for order updates and confirmations
- Payment choices:** SNAP/EBT, Klarna, PayPal, ApplePay, BNPL, gift cards

# STOREFRONT PRO BY INSTACART

## Marketplace vs. Storefront Pro

Instacart Marketplace	Storefront Pro
Hosted on Instacart.com, branded as Instacart	Hosted on your domain, fully branded to retail store
Shared platform experience	Customizable homepage, navigation, content pages & mobile app
Instacart owns platform-level data	Retailer owns Storefront Pro shopper data with advanced analytics & segmentation available
Core delivery	Delivery, pickup, and in-store context

## Requirements

- Not available as a standalone solution; must be a current customer of Instacart Marketplace.
- Available to retailers with at least 4 locations and either \$500K in current annual e-commerce sales OR \$50M annual total retail sales.
- Retailers who have direct agreements with Instacart must complete existing terms before moving to UNFI's program.
