

ALCOHOL PAYMENTS

If your store sells alcohol, you know paying your alcohol vendors for beer, wine, and liquor requires special consideration. Alcohol-Based Payment Processing (ABP) is a highly regulated area that requires compliance with rules that differ from state to state and shift frequently depending on current laws. By outsourcing your alcohol payment process to Fintech you will always stay informed and meet all legal requirements by your state.

Fintech has over a decade of excellence in alcohol payments processing. They work with 95% of all alcohol distributors and their service covers all 50 states.

Retailer Benefits:

- Flat monthly fee with no set-up costs & no nuisance fees
- Eliminate the need for cash payments, checks, pcards & money orders
- Robust, customizable reporting available
- Dedicated enrollment team
- Easy onboarding and transition

Whether you're currently processing payments for alcohol yourself or using a competitor to process your alcohol payments, check with us to learn how iControl can help you save time and money, and remain compliant with current payment regulations.
