

RETAIL DATA SYSTEMS

UNFI is excited to announce our partnership with Retail Data Systems (RDS). Founded in 1950, RDS is North America's largest provider of Point of Sale (POS) hardware & software. Their expanded portfolio of in-store technology adds value from front-end to back office for grocery stores of all sizes.

In partnership with RDS, we offer UNFI Retailers the best in class retail technology products and customer service. UNFI Retail Technology experts listen & advocate for your store's specific needs, RDS provides the right technology and reliable customer support, and together we simplify your IT decisions.

Retailer Benefits:

Trusted Partner

- Longstanding relationship between UNFI and RDS
- Fair and competitive pricing
- RDS is a proven technology leader with established & consistent processes
- UNFI Retail Technology consultants are with you every step of the way

Best in Class Support

- 24/7 customer service
- Reliable support regardless of store size or location
- End-to-end service from initial sale to implementation and support

Nationwide Coverage

- Coast-to-coast sales & support regardless of location
- Backed by local service teams across the U.S.

UNFI + RDS = Collaboration that addresses all of your technology needs.

RETAIL TECHNOLOGY + PAYMENTS
